

Instructions to make a War of 1812 Cootie Catcher:

Cut out the large square. Fold in half and then half again.

Unfold and flip face down.

Fold in each corner to meet in the middle. Do not overlap the four points

Flip over and fold each corner into the middle again.

Fold in half and poke your thumbs and forefingers under each flap

Bring your fingers together to form a peak and you're done!

To Play:

Ask a friend or family member to pick a person from the War of 1812.

Spell out the person's name, opening and closing the cootie catcher with each letter.

Ask the player to choose a number from the four options that appear.

Open and close the cootie catcher that number of times.

Ask them to choose a second number from the options that appear.

Ask them the question for that number!
